Things do not change; we change.

# The Sophomore Semi-Formal

On April 4, 2008, at our first BMHS dance, memories were made. All dressed up, we headed to the Billerica Lodge of Elks, where we ate, danced, and had a great time with all our friends!

# Junior Prom 2009

Our first prom together as a class was memorable to say the least. Though we might not have all fit on the dance floor, we didn't let that stop us. Slow songs and fast songs, Sandstorm and Cha Cha Slide. Teachers getting on the dance floor and showing us their moves. Junior prom was a good time on a great night.

# Spirit Week 2009

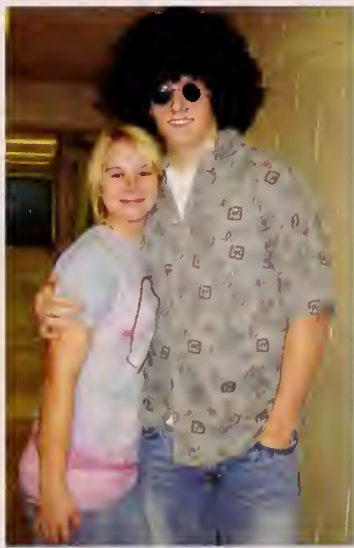

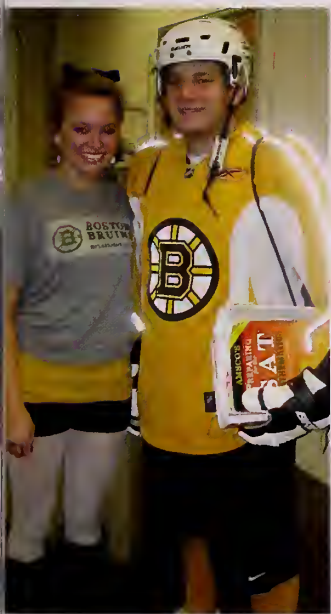

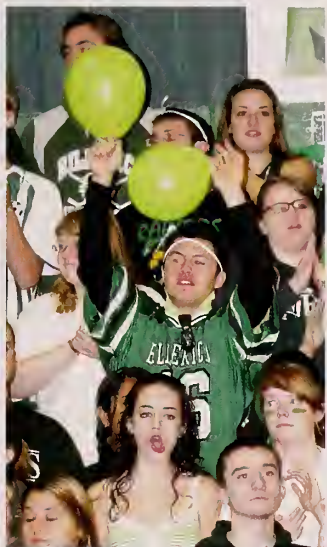

# Pep Rally

Each fall, we gather in the gym to show off our school spirit at the Pep Rally. The classes cheer and chant and see who can be the loudest.

Coach Flynn pumps us up with his inspirational speech and gets everyone ready for the Thanksgiving game!

# TURKEY DAY

The annual Thanksgiving Day Game turned out to be victorious for Billerica Memorial High School. This year's team was both strong physically and mentally. Every player contributed in every way. Seniors worked harder then ever and underclassmen certainly stepped up. This victory added to a successful season. The football team made BMHS proud in 2009.

Congratulations

June 2010

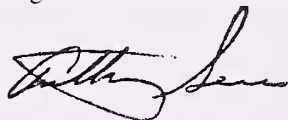

Dear Class of 2010,

The future is yours. It will be filled with boundless opportunities and the independence of adult life. Will societies meet the challenges ahead? How will you measure yourself to these challenges?

I can assure you the positives will outweigh the problems. Keep the winning spirit and an attitude of success. I know you can be a credit to yourselves, your families, Billerica Memorial High School, and the Town of Billerica.

I join with the Billerica School Committee in congratulating each and every one of the Class of 2010. May your future be filled with happiness and achievement.

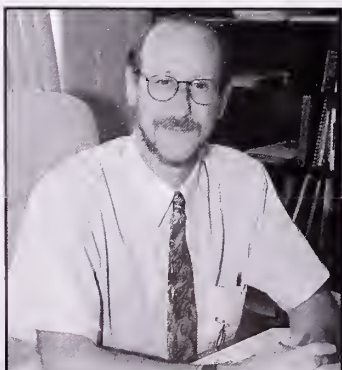

Congratulations and best wishes,

## Principal

Dear Class of 2010,

Graduation recognizes years of cooperative effort between you, your teachers, parents and the Billerica community who have worked to prepare you to embark upon the next chapter in your lives.

While at BMHS, you have enjoyed success in the classroom, in the Performing and Visual Arts, on the playing field, at DECA Competitions and numerous other activities in your pursuit of group and individual goals. You provided aide for those impacted by natural disasters and other life altering events locally and throughout the world. The Class of 2010 supported the men and women in the armed forces and helped to build a home for a soldier wounded in action. Your participation in a day of pluralism strengthened your understanding and appreciation for the cultures of the world.

You will always be remembered as the Class of 2010, a group that developed as one cohesive unit and collectively represented BMHS in a wide range of activities. I speak for all members of the faculty in saying: you should be proud of what you have accomplished and know that there is much more for you to do! As you embark on the next phase in your lives, we are confident in your ability to positively impact society.

Congratulations and Best of Luck!

## Season Wrap-Up

From the beginning of summer camp to the final match, we played together as a family. Captains Nicole Curtis, Jessica Janus, Marisa Marion and Stephanie Vance worked hard with the team to figure out how to make this year a success. With our fear-none, respect-all attitude, we knew we had the heart to persevere throughout the season. From the beginning of the voyage when we sprinted up the hills, we knew we had something special. After insane pasta parties and crazy scavenger hunts at the Chief's, the team was able to send Jenny D'Urso, Stephen Micalizzi and Nicole Curtis to the Merrimack Valley All-State Team. With our big win against Andover and engagement against Peabody, we knew this team was one-of-a-kind, something special, a love that cannot be torn or replaced. Jess' knee, Mia's ankle, Steph and Neesha's concussion, Jen's foot...can you say Billerica tough? After all these injuries, we managed to finish the season with double wins against Chelmsford, along with several other great games. Strong, tough, dedicated – that's Billerica Girls' Soccer! Now the voyage is over but never forgotten. Teammates will always hold a place in our hearts. It's been a great journey fighting some crazy pirates, among others, but our four years playing soccer has been the most memorable ever. When we leave, remember to help Manoogian with her PKs. I think I speak for all of us when I say that we are really going to miss it, the whole soccer experience. This year we rocked the Party in the USA and we leave our soccer girls the shed, insane pasta parties, and Al...Remember to play hard, win big, together!

## Season Write-Up

The first game of the season was a huge victory vs. Chelmsford. With eight seniors and a few juniors and sophomores we proved to be a strong team. We were 14 - 6 with close games against Central Catholic and Andover. We were lucky enough to get a states home game vs. Lexington where we won and moved on to the quarter finals. We have never had a better season or more fun. Despite a leaky roof canceling our senior night and our coach leaving to have a baby, the season was still amazing. Thanks girls for such a fun season. Love you all!

**2009-2010**

## Season Write-Up

The 2009 Cross Country Team had a very successful season. Under second year head coach Catie Button, the team finished with one more win than the 2008 season. Underclassmen, led by juniors Kyle White, Ryan DeRosier, Jake Griffin, and sophomore Pat Burns contributed to the success of the team. The seniors also played an important role this year, led by Captains Zachary L. Creeden, Jake Carmichael, Matt Doyle, and Derek Rich. We greatly improved our team unity and teamwork. We had a lot of laughs, and ate a lot of pizza. We hope future teams have much success in the upcoming season.

2009-2010

## Season Wrap-Up

The 2009 Girls Cross Country team had a very successful season. In the Merrimack Valley Conference, which includes some of the best teams in the state, the girls had an overall record of 7-3. One of the highlights of the season was their 2nd place finish at the MVC Championship meet in November. Despite all odds put against them, the girls were able to place 8th in the extremely competitive Division 1 State Championship, making this the 5th consecutive year that the girls have had a top 10 finish in the meet. Senior Melissa Ulcena advanced as an individual to the All State Championship Meet at Northfield Mountain. Senior Nikki Billiri served as a team manager and was a huge help to Coach Cullen Hagan. Throughout the season, the girls had many ups and downs, but what they will ultimately remember are the friendships that were made and the family that was created.

## A recap of the season ..

The 2009-2010 Boys Winter Track Team had a very successful winter season, winning the MVC Division II Championships. Under second-year head coach Matt Flood, the team displayed a dominant force in the division and the conference. The team was very successful mainly due to the strong senior presence on the team. Seniors made up most of the varsity roster and played a large factor when it came to scoring points. The Indians had two all-conference seniors, Matt Horan (hurdles) and Tyler Moules (1000). Along with Horan and Moules, the team had several senior all-stars, including Steve Hunter (600), Chris Vaughn (300), and Lachey Ross (1000, 4x400). Robbie Aquino (hurdles), Zach Creeden (600), Ryan O'Grady (shot put), and John Shattuck (shot put) were also frequent scorers in meets. The seniors wish future teams great success in upcoming seasons.

## A recap of the season ..

After a tough week of tryouts, the girls hockey team started out the season. They got off to a good start and only lost 2 out of their first 7 games. The team worked hard under the leadership of Senior Amy Boucher, Senior Amanda Mahoney, and Junior Kim McLaughlin. Some key wins for the Indians were a 4-0 win against Boston Latin, a 3-1 win against Chelmsford, and a 1-0 upset against Acton Boxborough, who was ranked 4th in the conference. AB outshot Billerica 43-10, but sophomore goalie, Liz Darrigo, kept the Indians in the game. With just 3 games left of the season, the Indians needed another 2 points to qualify for the state tournament. They ended up beating Arlington Catholic 6-3 in their 3rd to last game and qualified for states. Unfortunately, the Indians didn't make it past the first round. They lost to Beverly 3-0 which ended their tournament bid. The girls hockey team finished the season with a record of 11-9-1. The captains and head coach, Tina Carraba, were happy with their season.

The Billerica Girls Lacrosse team did outstanding this year. The Indians pulled out an 11-8-2 record and qualified for the state tournament once again. Despite all the hard work these exceptional players put in, they fell to Masconomet in the first round. The team, led by Captains Andrea Bozza, Heather Timmons, and Jen Carew, was introduced to a whole new style of playing with their new coach this year. Ashley Martell was named Coach of the Year this year and will continue to make the girls lacrosse program reputable. The Indians were recognized for their outstanding season as Shawna Strazzere and Heather Timmons were given MVC All-Conference awards; Andrea Bozza and Jen Carew were awarded with MVC All-Star. The team had 10 seniors and each of them put in a full effort. They all will be missed because each of them were a crucial part of the success. This team will be remembered for the unbelievable game against Chelmsford where the Indians were down by 7 goals at the half and came back to win 17-16 over the Lions. The girls will always remember this one simple saying, FSU! It was a great season and the graduating seniors will be missed but they will always have a spot on this team.

The girls track team started off the season with high hopes of becoming Merrimack Valley Conference champions. The team was stronger than it had been in a while, partly due to the large group of seniors, many of which had been on the team for all four years. However, a loss to Tewksbury in a dual meet ended hopes of becoming MVC champions. Still the team remained determined, and at large meets such as State Relays, MVC's, and State Championships the team put in a sincere effort. The effort and determination paid off when we placed higher in select events than we have in years. Now that the seniors are graduating, although the team will remain strong, they will be missed both on and off the track.

The Girls Tennis Team started out the season knowing that they would have a more challenging schedule than usual. The Indians were moved up to Division 1 of the Merrimack Valley Conference and would have to play more challenging teams more often. The Indians, led by senior co-captains Stephanie Cloutier and Melissa Goverston, overcame their challenging schedule and pulled out an 8-6 record, which qualified them for the Division 1 North State Tournament. Despite playing well, the team fell to a challenging team, Acton-Boxborough, in the first round. The Indians were recognized for their great season as Stephanie Cloutier was named MVC All-Conference for second singles, Hannah Ramos was named MVC All Star at third singles, and Jillian Rosa and Katie Skara were named MVC All Stars at first doubles. The girls bonded as a team through pasta parties and they will always have racketfires and cheering in German. We're Mint!

This year's Drama Club proved to be better than ever. Their rendition of "One Flew Over the Cuckoo's Nest" was both riveting and exciting. The actors and crew combined to be a force to be reckoned with at the Drama Fest. They represented BMHS proudly when they went far in the competition.

An Organization Like No Other

DECA is our schools business club but to those who have been a part of it know it is far more. The environment, the excitement of DECA is like no other you will find at BMHS. DECA isn't just projects, presentations, and poster boards; it's a family. A family of students, faculty and above all friends. The experiences, the memories, the drive to succeed - we owe it all to the man most have come to know simply as "Coach."

# National Honor Society

The National Honor Society is an organization of BMHS Juniors and Seniors who are dedicated to academics, service, character, and leadership. Members of NHS are selected based upon these qualities and must have a GPA of 88.5 or greater.

In December, students contribute their time and money to help feed needy families during the holidays. In March, they hold a blood drive together with the Red Cross and make a much needed donation to this organization. In addition to these contributions of time and effort, National Honor Society students regularly do volunteer work in the community to help others.

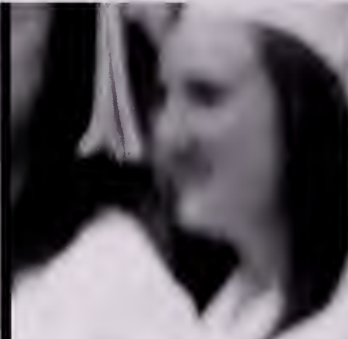

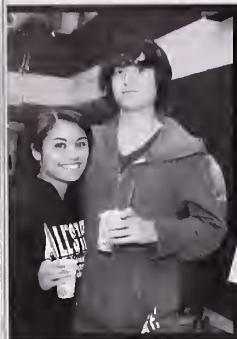

The Class of 2010 elected Lizelle Comfort as NHS President, William Scholl as Vice President, Conor McCarron as Treasurer, and Lauren Curley as Secretary.

# Mr. BMHS

The Mr. BMHS contestants lit up the stage with their talents in one fun-filled night. They showed off swim wear, performed their talents, sang songs, and modeled formal wear. To top off the night, each contestant answered a question from the judges to earn votes from the audience. At the end of the night, Kevin Mahaney was named Mr. BMHS.

# Class Day

On June 7th, the senior class met up at Cedardale for a day of fun before graduation. We soaked up the sun, went swimming in the pool, and played mini-golf, basketball, and volleyball. Overall, we made our last day as BMHS seniors a memorable and enjoyable one!

# Graduation

*Graduation was the first milestone in many of our lives. It was the end of our childhood, and everything we have been used to for the past twelve years. However, it was also the beginning of our future. Though we were all eager to leave the halls of Billerica Memorial High School, each one of us will keep the memories we all shared together forever.*

*"Today, you have won that battle. Together, we have all climbed this hill and reached success."*

*"Remember all of the dreams and life goals you had as a child. You can have any or all of those dreams."*

*"Take heart brave warriors! For you have conquered the greatest tribulations that have fought in vain to see the sinking of our vessels."*

*"Your character defines you more than what you do for a living, how much money you make, how many degrees you have, where you go to school, or what kind of car you got."*
